The effectual fervent prayer of a righteous man availeth much. James 5:16b

*NOTE Prayer is always productive don't be weary in your call before Him He has promised to hear the prayer of the righteous, to respond to our asking, seeking and knocking. He reigns over all and His ultimate judgment is right and sure. What we place before Him is never lost, forgotten or ignored. I have the full confidence He knows what every situation needs, it's our responsibility to carry it to Him and His to see its accomplishments.....He truly has given us a wonderful plan to live by and He wants us to share in His purpose of having us pray and trust (faith)*

*Sister Zeno*

***NOTE: Jesus bought for us salvation and healing...He bought with His blood the whole package. As we ask God to forgive our sins daily so also we should ask for our healing daily. God meant for us to USE the whole package....this is to be obtained by praying for the forgiveness of sin and applying upon our disease/sickness/pain the strips He received the days during His crucifixion. As born again believers it is our inheritance....Forgiveness/Healing. Next time the enemy comes to steal your health, begin to call upon the ... paid in advance healing... and drive the thief out. The battle to destroy God's Temple is ongoing....the thief first works on how we treat our temple (body)....what kind of food/drink/medicines...play a part in either a healthy body or a long term effect of an unhealthy body...exercise also contributes...The idea here is understanding the way the enemy attacks and how we counterattack. Educating yourself on the right fuel to put into the temple is just as important as knowing how to make a car function right.....this can be obtained by study and prayer. Some disease can be hereditary but prayer can bring victory within you as you and Jesus work out the counter- attack against this enemy. Bottom line here.....PRAY.....APPLY WHAT HE HAS ALREADY BOUGHT FOR US GET KNOWLEDGE ON HOW TO CARE FOR THE TEMPLE OF GOD AND DO IT... SIS ZENO***
